

Amendments to the Drawings:

The drawing is being objected to because in figure 1, box 80 should be labeled visible light source.

Fig. 1 is being amended. The drawing objection has been obviated by the correction to box 80 by labeling it to be visible light source. Amendment to Fig. 1 is indicated on the attached Annotated Sheet of drawing.

The attached Replacement Sheet of drawings includes changes to Fig. 1. The Replacement Sheet replaces original Fig. 1.
